Subscription, \$1.50 a year, in advance

Jefferson City, Mo., April 21.-More substantial evidence that 1920 More substantial evidence that 1920 promises to be a very prosperous year for Missourl is portrayed by statistical information imparted today by the Corporation Division Department of Secretary of State John L. Sullivan to the effect that there has already been collected in taxes and fees, January 1 to and including April 15, a period of only three and a half months, a total of \$156,134, as compared to collection for the whole of 1919, a period of twelve full months, totaling \$162,932. If the present ratio of collections continues during the remaining eight and a half months of 1920, and the indications are it will, Secretary of State Sullivan will turn into the treasury of Missouri by the County Attendance Officer, \$95.20; City Drug Store, supplies, \$412; S. R.

totaling \$162,932. If the present ratio of collections continues during the
remaining eight and a half months of
1920, and the indications are it will,
Secretary of State Sullivan will turn
into the treasury of Missouri by the
close of the year as corporation taxes
and fees, \$535,332.

The average 1919 monthly collections, taxes and fees, Corporation Department, the Secretary of State, were
\$13,678. For three and a half months
of 1920 the average monthly State
revenue derived from the same course
\$44,611, a gain of \$31,033 a month, or
nearly 229 per cent. All past records
in the collection of taxes and fees
from Missouri corporations up to
April 15, 1920, having been heavily
excelled with the year not yet half
over by two and a half months. There
is every reason to believe this unusual
showing by this State Department
will continue through the remaining
eight and a half months.

How the Tax is Proportioned

How the Tax is Proportioned

Articles of Incorporation for Missouri, both domestic and foreign; are filed with and recorded by the Secretary of State, and certificates of authority to transact business within the State are issued. Corporators seeking permission to de business in this comof fifty dollars for the first \$50,000 or less of the capital stock, and five dol-lars for every additional \$10,000 and a fee of three dollars for two copies of the certificate of incorporation.

For foreign corporations the entrance
fee on the first \$50,000 totals \$61.50.

The 1919 collections of the Corpor

ation Department of the Secretary of State came from 1,537 domestic and foreigns corporations and those of 1920, up to April 15, from 621. All these collections go into the general revenue fund, the State of Missouri.

Annual Registration Fees and Collections

Each Missouri corporation is also required to register annually with the Secretary of State for which a yearly fee averaging five dollars is collected.

The money goes into the good roads fund, the State of Missouri. During 1919 over 15,000 corporations; doing business in Missouri, paid over, \$70,000, or an average of \$5,834 a month.

Endeavor at this business in o the corpor of the Section Eleve n avera during receive eh \$80,00 ch \$10,000 financial g evolences ENSED TO MARRY 17-Linzy M. Agnew, ington, and Maude L. Holland of St. Louis, a 14-

She will also address the young M. Reed, Esther.
Saturday night. All cordially Wells, Design.

M. E. Church W. S. Courtney, Pastor. Was It Foolishness? It is said that a certain young man

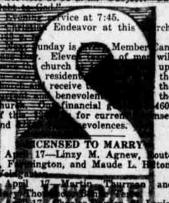

It is said that a certain young man in Farmington recently declared the military tactics of Gideon "Foolishness," adding, "The Germans wouldn't fight that way." The pastor of the First M. E. Church considers the comment worthy of reply. His Sunday evening subject, therefore, will be, "Was R Foolishness?"

OF FARMINGTON

The first thing a man wants to know nowadays, when he starts out to buy a

to cost him to keep it running.

It's all very well to take some dealer's word about a tire-if you know who he is and his object in selling it to you.

Our object in selling U.S. Tires is to have you come back for more-and be glad that we sold them to you,

U. S. Tires have a record behind them.

They are built by the people who perfected the first straight side automobile tire, who produced the first pneumatic truck tire.

Two of the greatest contributions to tire and motor economy ever made.

W SPENCER

As representatives of the oldest and largest rubber concern in the world, we have a reputation to live up to. We can't afford to substitute "just as good" tires for tires of standard quality.

STOCKHOLDERS' MEETING

Notice is hereby given that the annual meeting of the stockholders of the St. Francois County Bank will be held at the office of said Bank on Monday, May 3rd, 1920, at ten o'clock a.m., and 'that said meeting will be in session until four e'clock p. m. on said day. The purpose of the meeting will be to clect seven directors of said bank for the ensuing year and for the trans-May 5th, 6th and 7th have been designated by the Board of Aldermen as Clean-Up Days. It is the duty of every citizen to clean up about their premises, burn trash that can be burned and pile tubbish that can not be burned at the rear so that it can be gathered up and hauled away. Wagons will begin hauling on May 6th and continue during that week entil all trash is hauled away.

Everybody should clean out tollets and manure pens, and disinfect same by the free use of lime and other disinfectants. The use of coal oil in cess pools will aid in getting rid of mosquitoes. This is the time to make four city healthful during the summer. We urge all citizens to do their duty. Please report any neglect of duty to te to elect seven directors of said bank for the ensuing year and for the trans-action of any ather business that may properly come before said meeting. Given under our hands this 22nd day of April, 1920. E. E. Swink, Vice President Atlest: R. L. ALLEN, Cashiera
